One of these pamphlets, smuggled out of Germany. has reached the Liverpool Daily Post,

When will peace cond? It will come

cannot be denied with impanity.

"The hour of peace will strike when Germans no longer heed the makers of war: when they despise and hiss the apostles of militarism and jingoism. Feace will come when the Germans say to their Emperor, You, whom we have followed and oneyed, you for whom we appeal for justice and forbearance in reto their Emperor. You, whom we have followed and obeyed; you, for whom we have sacrificed curselves and our dear ones; you, who have not spared even our ideals and beliefs and traditions, we have sucrificed all to you—and what have we in return? Nothing but hunger and cold and nakedness, disease and death, ruin and destitution.

"Never before.

death, ruin and destitution.

"Never before in the history of the world has there been sacrifice so great or so willingly made. Before our heroic deeds the armies of Napoleon shrivel. where the German spirit was welcomed and honored. Will it ever be so again?

streets and our language is forbidden. We have you, Emperor William, we have you to thank that achievements of a century of national effort have been lost. We will no longer follow you."

The document ends with a still longer

denunciation of the ambition, vanity and personal cowardice of the Emperor. PEACE CAUTION URGED.

Cecil Says Alties Don't Desire the Chancellor does lip service.

Congress realizes that prosecution of the war is the only real matter of present consideration. Actually the Senate regardless of the party affiliations of its membership, has arrived at the point where America's war impetus has seized upon it.

Way to peace other than by crushing come Anglo-Saxon she must abandon the regardless of the party affiliations of its Reichstage passed a resolution condemning annexations and indemnities. To day you Hertling's speech and the treatment of Russia emphasize the leval.

PEACE DRIVE FIRST

Think It More Likely Than Scheme Exposed to Tie Japan New German Military Offensive in West Soon.

Germans Must Get New Rulers or Suffer Defeat, Is View in London.

Special Cable Despatch to THE St.N. Copyright, 1918; all rights reserved. LONDON, Peb. 27 .- That a peace of-

fensive on the part of Germany is more likely than an immediate military offensive on the western front is the conclusion reached in official quarters after a perusal of the speech of Imperial Chancellor von Hertling to the Reichstag. The Chancellor talked of "the fateful decisions at this moment," intimating that Great Britain knows upon what terms Germany is willing to negotiate. Premier Lloyd George stated quite recently that England knew nothing of the time is approaching.
"It will come when tiermany has learned the lesson of the war; when it has found, as every other nation has had to learn, that the voice of Europe are pursuing the war for lust of conquest.

ideals and beliefs and transitions, we have sacrificed all to you—and what remarks, in regard to the President's reference to him: "A tribunal of the entire world would be prejudiced."

"Real Germany" Is on Trial.

The Westminster Gazette says: "Von Hertling knows that the entire world has passed judgment on German and what have we won by 11? Two years ago the world lay at our feet, strangers from every land came to our methods and German policy, which makes an appeal to its decision a very unpromising one on the part of Germany, of our merchants was successful. Everyhere the German spirit was welcomed to honored. Will it ever be so again?

"All over the world we are despised it not be worth the Chancellor's while, and hated. On our forehead rests the eres and our language is forbidden and our language is forbidden to set himself right with the tribrects and our language is forbidden.

> peace on abiding and honorable condi-tions, is being chilled and alienated by the disclosures of the real Germany in her dealings with Russia. In her course

London, Feb. 27.—Lord Robert Cecil, Minister of Blockade, referring to the Von Hertling speech, said:

"It would be foolish to enter into negotiations unless there were a reasonable prospect of success. We do not desire to repeat the experiment of the Brest-Litovsk negotiations.

"There must be no humbug about Beligium." Lord Robert continued. "Certainly Beigium is not the only issue, but sisted, the war must be renewed until

day Von Hertling's speech and the treatafter \$21,000,000,000 has been approbriated as sinews of war the disposition
here to-day is to get into the business
of fighting as soon as possible. The
pockeying for a diplomatic position by
the Berlin statesmen has stirred not
even a languid interest outside the littile group of pacifist legislators.
